

1.New Traffic Lights

- All vehicle movements allowed except the right turn into Montgomery Avenue from King Street.
- Signalised pedestrian crossings provided on all sides to allow safe access to the proposed Warrawong Community Centre and Library.

2.Traffic Light and Intersection Changes

- No right turn (buses excepted) from Cowper Street north or south onto King Street.
- Removal of right turn lanes allow footpaths to be wider in Cowper Street, creating a pedestrian focused environment.
- Drivers can use traffic lights at Northcliffe-King or Greene-Montgomery-King to head north or south on King Street.

3.Intersection Change

- Opening in central island to allow right turn into Taurus Avenue from Cowper Street.
